

KEVIN MARKEY

WEB DESIGNER

(443) 694-1516 · kevin_markey@yahoo.com · <http://www.kevin-markey.com>

OBJECTIVE STATEMENT

I am a web design student seeking a full-time position where I will be able to utilize and further grow my skills and abilities related to the field of web design and production.

EXPERIENCE

Digital Arts Intern

Hats in the Belfry, February 2018 - Present - Millersville, MD

- Produce product photographs and create high-quality, optimized images for the web.
- Professionally operate Adobe Photoshop and applied various touch ups such as spot-healing and application of drop shadows to greatly emphasize product details.
- Create animated banners for email marketing and web advertisements.

Web Production Assistant

Applied Technology Institute, March 2017 - November 2017 - Riva, MD

- Developed a new, responsive website resulting in improved efficiency and an increase of speed and performance by approximately 35%.
- Trained internal staff on new practices for updating and modifying content reflective of new website structure.
- Researched and applied new techniques to construct various web pages and elements on the existing site.

Junior Web Developer

Herrmann Advertising, October 2012 - November 2014 - Annapolis, MD

- Managed over 25 different websites, via in-house Content Management System and provided general maintenance of back-end databases.
- Performed content migration from legacy sites into new Content Management System.
